PRESIDENT'S MESSAGE

The change in the color of the leaves, the change in temperature, and the change from the soft ball to the hard ball characterize to the squash enthusiast a new season.

Change was the byword of the 1984-85 season. The routine transition of officers, the unexpected replacement of the President, and an unfortunate economic hardship compounded the responsibilities of your Board.

Lessons learned made the preparation for the new season more intense, so now, the events are scheduled, tournament and flight directors are in place, bulletin boards are adorned with notices and entry cards, your clubs have committed courts, and we stand ready for play. Your entry is needed to insure this season's success.

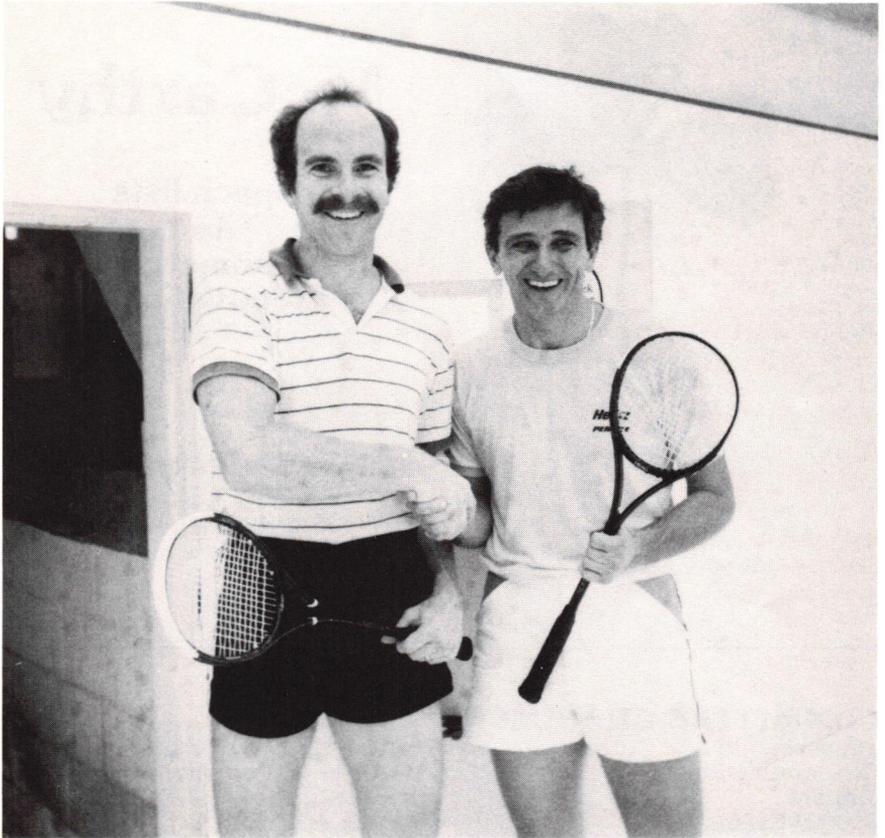

An ambitious schedule includes a major expansion of league competition. Players at all levels of skill from all area clubs will have an opportunity to participate. The Women's Ladder and MSSRA Juniors Program are expected to grow this year, both in terms of numbers of players and length of season. Each affiliated club reports more players utilizing more court hours.

Our concept of success can be modified by your input. The MSSRA is an association dedicated to the growth of our sport at all levels. If you have advice, criticism, or a question, please call me.

In closing, I offer my personal thanks and the thanks of the MSSRA to all of the generous benefactors whose contributions made this new season possible.

Sincerely,

Robert L. Everd
President

MSSRA President Bob Everd (right) and his partner Kerry Tenberg were very happy about their 3/0 win over John Bremermann and Scott Supplee in the Fall Doubles.

The Second SDA: Polk SDA series loudspeakers are totally unique both in design concept and sonic performance. SDA technology combines the sonic advantages of headphones and loudspeakers. The SDA-1 (\$850) received unprecedented rave reviews and many prestigious awards including the Hi Fi Grand Prix-Product of the Year. Now the dramatically audible benefits of SDA technology are available to you in a more affordable loudspeaker, the SDA-2 (\$599.95). High Fidelity said that the SDA-1 was "mind boggling, astounding and flabbergasting"; so is the SDA-2. You must experience the sonic benefits of the Stereo/Dimensional technology for yourself. Your ears will thank you.

Know someone who should join MSSRA?

If you know squash players who are active in this area and who don't belong to MSSRA, please pass along the membership form below. You'll be doing a favor for them and for the Association.

MSSRA offers a special low membership rate for new members, just \$20 as opposed to the regular annual rate of \$30.

MSSRA members are automatically made members of the United States Squash Racquets Association and receive the USSRA newspaper, *Squash News*, their yearbook, and a waiver of racquet fees for USSRA tournaments.

I'd like to join the Maryland State Squash Racquets Association.
