February, 2013

Dear Sponsors, Patrons, Professionals and Members,

The Squash Committee is pleased to welcome all Sponsors, Patrons, WDSA Professionals, SDA Professionals and members to the 2013 Baltimore Cup. We are excited to host both a men's and women's Professional Doubles event. The Committee has worked hard on fundraising and other details to hopefully deliver a high-quality Tournament for the Members to enjoy.

The Baltimore Cup could not have been possible without the financial support from its Members. We would like to offer our sincere thanks to Platt Development Group and Merritt as our Platinum sponsors. We would also like to thank our Gold, Silver, and Patron Sponsors that have been financially supportive and are listed in the program.

We would not have considered hosting The Baltimore Cup without the support of President Bob Goodier, the Board of Governors, and General Manager Mr. Michael Stott. We appreciate their belief in us to host this event. We also believe that Baltimore Country Club has the facilities and an exceptional staff to help us run a successful tournament.

In closing, the Committee would like to thank Jay Bewley, Patrick Bedore, and Dennis Graul for their tireless effort and attention to detail in preparing for this year's Tournament. We hope you enjoy the 2013 Baltimore Cup!

Sincerely,

Landon Royals
Squash Chairman

Baltimore Country Club has a long-standing squash tradition spanning over 100 years. The Club was originally founded in 1898 in Roland Park. In 1907, our first squash courts were built. In 1964, the Club opened a new squash facility, with two hardball singles courts

and the first new doubles court in Baltimore since 1925. Finally, in 1998, the squash facility went through its most recent renovation with the construction of two international singles courts replacing the hardball courts. The Club has been host to many top squash tournaments, including the U.S. National Doubles Tournament in 1996 and most recently 2010, along with the Baltimore Cup, an annual professional squash tournament that draws many of the world's top singles and doubles players. The Club's squash program continues to grow with the play of many new gentlemen, ladies, and juniors.

Jay Bewley, Director of Racquets

Jay joined the Club as Racquets Director in 2003. Jay has been in the field for over 25 years and was the youngest member of the United States Professional Tennis Association (USPTA) to reach the Master Professional level. Jay performs countless roles for the Racquets Department, including his excellent instructional and management skills.

Patrick Bedore, Head Squash Professional

Patrick joined the Club in 2010 as Head Squash Professional after a successful professional career on the singles tour. Patrick has already established himself to be an outstanding instructor, able to help players of all age groups and all skill levels.

Elizabeth Kangas, Office Manager

Elizabeth has been with the Club for over 10 years. Elizabeth runs the day-to-day operations of the racquets department. Elizabeth's assistance and kindness to all the members is invaluable.

MARYLAND STATE SQUASH HALL OF FAME

Squash remains a great amateur sport. Over the years, Maryland has had its share of champions. In 1997, John Voneiff, Bob Travers, and Bob Everd, representing the Board and Officers of the Maryland State Squash Racquets Association and its membership, found it fitting to honor those who have exhibited extraordinary playing skill and dedication to the game of Squash Racquets.

A Nominating Committee was formed, the historical record researched, and the general membership polled to ascertain deserving candidates. Seventeen individuals were nominated. Seven were proposed for election.

The formal announcement was made, and candidates introduced at the home of Ambassador William H.G. FitzGerald on the occasion of the 50th FitzGerald Cup Matches, a tournament Ambassador FitzGerald founded in 1948 to recognize exceptional playing ability and good sportsmanship between the Washington, D.C. and Baltimore Squash Communities.

On that night, in recognition of his fifty plus-year commitment to the game of Squash Racquets, the Association presented the late William H. G. FitzGerald with a certificate of election as the 1st Honorary Member of the Maryland State Squash Hall of Fame.

All seven candidates were officially elected: 1st Class, Maryland State Squash Hall of Fame - effective May 1, 1998. Each inductee was introduced at the Baltimore Invitational Doubles Tournament Dinner, held that year in their honor at the Baltimore Country Club. These state and national champions were: Gene O'Connor, Jim Lacy, Joe Lacy, the late Bill Lamble, Sandy Martin, the late Tommy Schweizer, and the late George Doetsch.

On May 1, 1999, Nancy Cushman, founder of Meadow Mill Athletic Club and nationally ranked champion, was the eighth individual and first woman elected to the Hall of Fame.

In 2001, the Baltimore Invitational Tournament was held in honor of four national champions who consistently supported Maryland State Squash, won the Baltimore Invitational Tournament, and competed in Maryland ten or more times. These four Hall of Fame honorariums were presented at the BIDS Dinner Dance to: G. Diehl Mateer, Jr., Thomas M. Poor, Michael J. Pierce and Morris W. Clothier.

In 2003, Douglas C. Rice was elected the ninth member of the Hall of Fame, effective the night of the Maryland Club's annual Clarke J. Griffin, Jr. Member-Guest Tournament.

On January 8, 2005, on the occasion of the 57th FitzGerald Cup Matches, and

at a special dinner reception held in their honor at the Maryland Club, four individuals became the 10th, 11th, 12th and 13th state and national champions elected to the Maryland State Hall of Fame. These notable players are Raja Riaz Arshad, Jervis S. Finney, T. James Hense, Jr., and Alva P. Weaver III.

On February 10, 2007, Patrick A.M. Miller was the 14th champion inducted into the Hall of Fame. The certificate of election was presented at the Baltimore Invitational Dinner/Dance held in his honor that year.

Joseph B. Fitzpatrick, Jr. and Geoffrey Ewing Kennedy receive their certificates February 9, 2008, also at the Baltimore Invitational Doubles Dinner/Dance, to become the 15th and 16th inductees respectively. Joe would win his second consecutive national 60s championship with his partner, Sandy Martin, one month later.

All inductees have been ranked No. 1 in their respective age categories. Each has been ranked No. 1 for multiple years in the state of Maryland. All have sustained multiple year top-ten United States Squash rankings, individually or as a doubles team member. Two have received world rankings as playing members of professional tours.

Over the one-hundred-four-year history of Maryland State Squash, there have been fifteen national champions: Gene O' Connor, the late Tommy Schweizer, the late Bill Lamb, the late George Doetsch, Sandy Martin, A.C. Hubbard, Al Weaver, Jervis Finney, Joe Fitzpatrick, Doug Rice, Patrice Cromwell, Lissen Tutrone, Dave Bennett, Dave Rosen, and Narelle Krizek. Jerve Finney, Sandy Martin, Tommy Schweizer, Al Weaver, Doug Rice, and Naralle Krizek won both the U.S. and Canadian Nationals becoming undisputed North American Champions. Gene O'Connor won national championships in both hardball and softball singles. Joe Fitzpatrick and Sandy Martin won the national 60s in both 2007 and 2008, the latter: 5-4 overtime in the fifth, in Philadelphia.

Class of 2011: Within the Maryland State Squash Hall of Fame, Andrew Cordova has achieved the highest world doubles professional ranking; Dave Bennett has attained the highest national open singles ranking; Narelle Krizek is the first open national champion in Maryland State Squash history and has achieved the highest national and world ranking in both singles and doubles.

The Maryland State Squash Hall of Fame was founded in 1998 by and is administered through the Maryland State Squash Racquets Association through the Hall of Fame Committee. Members are: Robert S. Travers, Chairman of the Hall of Fame Committee; John Voneiff, Steward of Record, and Bob Everd, MSSRA Board Liaison. All three Hall of Fame committee members were MSSRA Presidents. As of April 16, 2011, the Maryland State Hall of Fame Committee has recorded, and the Maryland State Squash Racquets Association recognizes, nineteen Maryland State Squash Champions and five Honorariums - named herein - as Members of the Maryland State Squash Hall of Fame.

THE GREATEST TEAM By John Voneiff

George L. Doetsch, Sr. (1915-2003)

William E. Lamble, Jr. (1917-2007)

Both Lifetime Members of Baltimore Country Club

Bill Lamble & George Doetsch

Right Wall - George L. Doetsch passed on September 23, 2003. George was 88.

Although he became one of the game's outstanding doubles players, George Doetsch's utmost contribution was off the court. George was one of the pioneers, the likes of Fred Ketchum, Joe Hahn, Howard Davis and Darwin Kingsley, who crafted and promoted the game into what it has become. George wrote the first rule book and traveled the country as a referee. In recognition of George's 50 year commitment to the game he loved, USSRA CEO, Palmer Page, said United States Squash "lost a giant of a man and a giant of a gentleman...who freely gave decades of service to Squash".

He was born in Baltimore in 1915. By the time he graduated from City College, in 1933, George had grown into a strong, lanky, athletic, 6'2" - 180 lbs. swimming champion. He unintentionally discovered Squash at the University Club while having lunch with a friend. George often joked that it was this friend who, at the time, was dating his future wife, Doris. The year was 1939.

Agility and superb conditioning that George attributed to his ongoing competitive swimming enabled him to quickly develop into a good singles player. In 1998, the year George was inducted into the Maryland State Squash Hall of Fame, he told an interviewer, "I played every day I could but was hardly counted among the best players". "What I did know was that I was getting better". In 1942, however, as it was with most of his contemporaries, George's life was interrupted by World War II. He would serve in the United States Navy through 1945 and not pick up a squash racquet again until 1946. By then, because he had been a swimming instructor at the Bainbridge Naval Training Center, George was in better shape than ever. He also recognized that if he was going to win a state title, it would be doubles; but a championship would elude him until 1949.

Left Wall - William E. Lamble passed on April 7, 2007. Bill was 89.

Born in Baltimore in 1917, Bill was, from the start and throughout his life, a relentless competitor. By the time he graduated from Loyola High School in 1935, he was a wiry, tough, 6'1" wrestling star and one of the best junior tennis players in Maryland. Bill excelled in both sports during his four years at Johns Hopkins University; and while there, he added one more - Squash. Bill loved playing from day one. He knew the Lacy Family and it was James J. Lacy, Sr. who owned and operated the Baltimore Athletic Club. Playing at the Baltimore Athletic Club presented Bill with the opportunity to compete against the best players in town. He joined the Maryland Club, which had its own band of talented players and he reveled in the enjoyment of doubles at the University Club.

In 1945, at the age of 28, Bill won his first Maryland State Singles Championship. In 1946, Bill lost the title to Frank Gould who he had defeated the year before; but he would redeem himself that year by winning his

first State Doubles Championship. Jack Morrison was his partner. Bill won back the state singles title in 1947 and would hold on to it uninterrupted through 1954. Bill Lamble eventually won 10 Maryland State Singles and 15 State Doubles Championships, a record that stands, even today, as the most exceptional in the history of Maryland State Squash. In 1949, Bill Lamble was the best squash player in Maryland.

George Doetsch and Bill Lamble - 1949 and beyond: 13 Time State Champions - United States National Champions

When it came time to play the 1949 State Championship Tournament, Bill Lamble had already won twice, in 1946 with Jack Morrison and in 1947 with Frank Gould. Lamble and Gould defended in 1948 but lost in the finals match to Jack Morrison and George Cade. So, in 1949, Morrison and Cade were the No. 1 Seed. When Frank Gould came up injured, Bill Lamble found himself searching for a replacement partner. He picked George Doetsch. No one was more surprised than George. He jumped at the chance.

Lamble played as aggressively as anyone in the game. His backhand was a weapon that rarely failed to deliver a winning shot. It might be a soft drop or lob but Lamble could just as easily turn on the power. In a day when there was virtually no such thing as a let for interfering with an opponent, Lamble gave no quarter and took advantage of every opening. What he needed, in 1949, was a right wall partner to replace the steadfast Frank Gould who would not be intimidated by Jack Morrison. George Doetsch, as it turned out, delivered this and a lot more.

Rarely could an opponent put a ball past big George Doetsch. His height and reach were a huge advantage in volleying the ball. His strength enabled him to strike the ball with power from any position. In an era when players prided themselves on being able place the ball in the front and back corners with soft lobs and drops, Doetsch drove the ball so hard opponents scrambled to get out of the way. He was, throughout his championship playing days, in top physical condition. George could win a point with a rocket reverse corner or wall hugging rail. The havoc Doetsch generated, more than with any other partner, enabled Lamble to maximize his offensive arsenal of shots.

Together Doetsch and Lamble seemed unstoppable. From 1949 through 1952 they never lost a match. From 1949 through 1965, Doetsch and Lamble dominated doubles squash in Maryland winning 13 Maryland State Championships. In 1972, they became National Champions in the new United States Squash Senior Division that included players 45 and older. Twenty-seven years later, fifteen years after both had retired from play altogether, George Doetsch and Bill Lamble were unanimously elected to the Maryland State Squash Hall of Fame. The presentation was made to them and five other 1998 Inaugural Hall of Fame inductees at the 1999 BIDS Dinner/Dance held in their honor.

By 1965, injuries had taken away much of Doetsch's and Lamble's reflexes, power and speed. Younger talented players were coming on. The best was the incredible team of Jim and Joe Lacy. Jim and Joe won nine state championships in a row, the second best record of achievement. Jim Lacy who entered the Hall of Fame with his brother Joe on the same night as George and Bill, said of George Doetsch and Bill Lamble in a 2003 interview, "They are the best doubles team, ever, in Maryland".

At this the 17th playing of the Baltimore Cup at their home club, George and Bill, are worthy of remembrance for their love of the game, contribution to it, lasting friendship and unparalleled achievement as players.

They were the Greatest Team.
