PRESIDENT'S MESSAGE

The end of another summer, cooler days and less sunlight, has returned the squash enthusiast indoors.

At the Association's annual meeting in April, three new officers were elected and a fourth will be identified shortly. Thus, of the current officers, four will be serving in an official capacity for the first time. I interpret this to be a positive indication of the support and desire among our membership to actively participate in the success of our Association. Continued success and growth of the MSSRA will benefit from new faces and fresh outlooks. Experience is not required for participation. On the job training is guaranteed.

The Board continues to support an ambitious tournament schedule. In addition, we hope to strengthen the league competition and encourage all the membership to participate in this interclub activity.

In closing, I want to personally acknowledge the continued support and leadership of the Association's elder statesmen and women. Their efforts have greatly contributed to the success of the MSSRA. With their continued support and participation of new individuals, we hope to build a solid foundation for the future.

Sincerely,
Jan A. Markowitz
